# ABOUT **US**

The **Canadian Centre for Healthcare Facilities (CCHF)** is a national, not-for-profit organization dedicated to advancing healthcare facility design, construction, and operations to improve patient care. We connect healthcare executives, architects, engineers, and other multidisciplinary professionals through high-impact events, workshops, and training sessions that foster collaboration and innovation.

# ABOUT OUR EVENTS

Our conferences will feature engaging discussions, expert panels, and guided tours of healthcare facilities. Key themes for the year will include:

## **NAVIGATING MARKET UNCERTAINTY**

Managing market uncertainty amid tariffs to maintain project milestones, mitigate contract risks, and address supply chain challenges

## **SUSTAINABILITY & RESILIENCY**

Building sustainable, resilient healthcare facilities boosts efficiency, safety, and equity while supporting care continuity amid climate threats like fires, floods, and heat events.

## **REGULATIONS, STANDARDS & ROADMAP DEVELOPMENT**

Navigating healthcare regulations to design compliant, efficient, and patient-centered facilities that meet evolving industry standards

## **DESIGNING FOR WELLNESS & PREVENTION**

Recognizing the needs of patients that help to deter them from requiring complex, acute care through design and programs that promote well-being

CCHF events provide a unique opportunity to showcase your organization's commitment to improving healthcare environments while engaging directly with key decision-makers and influencers in the healthcare sector.

# UPCOMING EVENTS & LOCATIONS

CCHF remains dedicated to advancing the conversation around healthcare facility design and innovation. Our upcoming in-person events will offer dynamic, interactive experiences for professionals across the healthcare sector, featuring expert panels, informative discussions, and guided tours of leading-edge healthcare facilities. These conferences provide an exciting opportunity to engage with industry experts, explore the latest trends, and collaborate within the healthcare design community.

## Upcoming Live Events

CCHF is excited to continue its commitment to healthcare facility innovation with a series of in-person conferences and workshops across Canada. Stay tuned for more details!
